Farmingville, NY – Supervisor Ed Romaine and Councilwoman Jane Bonner recently attended Arbor Day celebrations at Laddie A. Decker Sound Beach School in Miller Place and Joseph A. Edgar Intermediate School in Rocky Point. Each year the Rocky Point Lions Club joins forces with the Fourth Grade Foresters Program to celebrate Arbor Day at local schools. Fourth grade students from the school joined other students across the nation to celebrate Arbor Day on April 29 by taking home a free Norway spruce tree seedling to plant at their homes. The Rocky Point Lions sponsored this event to renew interest in Arbor Day while enhancing the local environment.
